March Campout Happenings...March 3 - 6, 2015
Blueberry Hill RV Resort, Bushnell, FL

“MAY THE LUCK OF THE IRISH BE WITH YOU” was the theme of our last rally held at Blueberry Hill RV Park in Bushnell, FL It was great fun and fellowship. There were 10 coaches including our new couple Leo and Linda Reuss. Mark, Jorie, Ron, and Donna made this rally a great time. If you missed it you missed a lot of fun.

Tuesday : The “Wearing of the Green was the theme for our first Happy Hour. There were some very interesting green things used as props for the meeting time. They had a great dinner planned with traditional Corned Beef and Cabbage and all the trimmings.

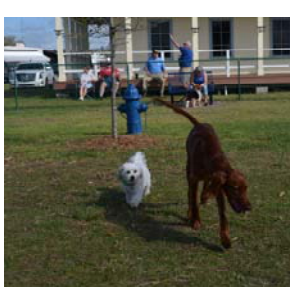

For the first time, all of the attendees played a card game called “Kings in the Corner”. It might have been the CASH award for the winner that got everyone interested. Bill Schilp won the game.

You can see why the 7th Fleet hated to give her up! But Ron beat them out!!!

Ron concentrates way too much.
I'm just saying!!

Wednesday : We started off with a Pup - N - Cup. People brought their dog or dogs and a cup of coffee to the dog park and had a lot of fun watching the dogs play. Lexi kept waiting for Izzy to look the other way so she could run to the other bench for cover.

We went to the Russell Stover candy company in Wildwood and had a great time shopping for candy. The Dykes won with the most candy purchased. It was all for their grandkids.

Nancy says
But it's
one of the
major
food
groups
isn't it!

For lunch we went to Waller's Restaurant. The waitress gave some of the group some interesting names.

Meet Pin Head and Pretty Boy!

On the agenda was a Men's Challenge. All the men were a little uneasy about that and were correct to be so. Jorie had the women making jewelry and the men got their instructions. The men were divided up into teams of 2 and given part of an Italian dinner to fix for that evening. They all went to Wal-Mart and purchased their different ingredients and came back to the hall to fix it. Jorie had chef's hats with our names on them and aprons. What a great time the men had after they got over their initial shock.

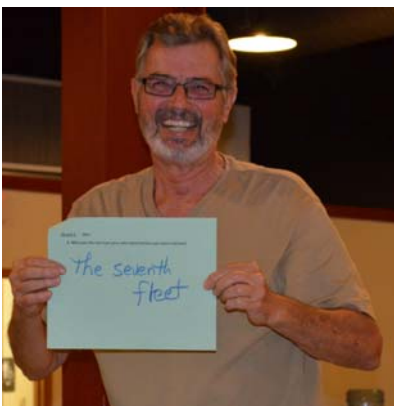

You say we have to what?? While you girls sit and make Huh!!

Meet Chefs Boy-Are-You-Kidding-Me

And the winners were Leo Reuss & Ron Wacker

Probably the most fun was the "Not So Newlywed Game". There were many surprises when the couples found out things about their spouses they didn't know or had forgotten. As far as I know all the couples are still married although I thought the answer "The 7th Fleet" as his wife's last date before they got together was very close to being over the line.

Thursday : While we were sleeping those tricky little Leprechauns were up to some shenanigans. All our coaches were draped with crepe paper, coins, beads and they even left footprints on the side of our coaches. Those sneaky little devils. We got up the next morning and some of us had a hard time getting out of our coaches.

On the way to Silver Springs we stopped for lunch at Wolfy's Restaurant in Ocala, Florida. The food was great and reasonably priced. I don't think anyone went away hungry.

Getting warmed up and ready for lunch. Just saying!

OK I want to sit here. No you sit there. Well where do I sit! Oh just sit anywhere,

We also went to Silver Springs State Park for a ride in a glass bottom boat. We all enjoyed that outing also.

The meeting was held Thursday afternoon. The remaining officers were sworn into office.

Due to noise, the meeting was moved back to our coaches

As you can see Bailey was very enthused about the meeting

The group had diner at Cayote Rojo Mexican Restaurant. The food was great as usual and as you can tell by the pictures we had a great time. Some of us had even a better time. I'm just saying Mark!!

Friday Coffee and donuts for “Koffee Klatch” and away we all flew til next campout.
